

Jacksons Landing

*evolve**

Key Facts about the Site

Colonial Sugar Refining Co. commenced operations on this site in 1878.

Earlier uses (1830s onwards) included quarrying, iron works, and shipyards.

CSR's activities included sugar refining, alcohol distilling and building products manufacture.

Lend Lease was first involved with CSR in a Masterplan exercise in 1988. Lend Lease subsequently purchased the site from CSR in 1996.

- 11.7 hectares with 700m harbour frontage
- 2 km from Sydney's GPO
